Please submit this form, as well as a short paragraph about the new club, to [info@nordiqalberta.ca](mailto:info@nordiqalberta.ca). Within the paragraph please outline the target members for the club and the overall goals of the club. Some questions to consider are:

- Will the club be recreational or competitive?
- Who are the clubs target members?
- What are you hoping to accomplish within the club?
- What programming will you be offering?

\*Note: The questions are a guide to get your started, you are not required to answer all of them if they are not relevant to your club.

## **Nordiq Alberta Membership Benefits**

By becoming a member of Nordiq Alberta your club will be an integral part of the leading organization for the sport of cross country skiing in Alberta. Each club, through its own program development contributes significantly to the ongoing development of cross country skiing in Alberta.

Whether you are a new club or one of the many returning clubs, the staff and board of Nordiq Alberta welcomes your club into our organization. We look forward to working together with you to improve skiing experiences throughout the province.

### **Benefits of Membership**

Nordiq Alberta is the provincial sport governing body for cross-country skiing. By being a member of Nordiq Alberta (NA), through our member clubs, an individual member gets to be an integral part of the cross-country ski community in Alberta. A NA member also gets to have the opportunity to contribute to the collective strength of Alberta 's cross-country ski community. The greatest motivation behind people's involvement in NA is vicariously through their local club, and that is typically done because they wish to contribute to their community.

Nordiq Alberta is only as strong as the membership's collective wisdom and energy. NA wishes to place and emphasis on the many volunteers from clubs throughout the province that drive the evolution and ongoing development of all our programs. NA wished to recognize the many volunteers throughout the province, and their efforts to contribute to the sport of cross-country skiing.
