## 5. Presentation of the 2024-25 Business Plan

### 5.1. Events Calendar

*Question from Mikhail Kudienko:* Can you explain the placement for the Alberta Cups? Why aren't they hosted later in the season / into March?

*Answer:* There are a lot of parties that work together when creating the calendar. Nordiq Alberta tries to prolong the season as much as we can. We structure the calendar based on who submits a bid from, so if we have interest from clubs, we are open to later season events. Additionally later in the season there does tend to be conflicts with Tier 3 events (Foothills Cookie Race, Lake Louise Loppet, etc). Frozen Thunder is expanding to 5 - 6 km for the 2024-2025 season (expected to start early in October 2024) so we could look into starting the season even earlier in the future.

### 5.2. Safe Sport Policy Suite Implementation & Bylaw Update

**Graeme Thain made the motion to approve the special resolution that section 3 and 5 of the bylaws of the Cross-Country Alberta Society be updated in accordance with Nordiq Canada's Pan Canadian Safe Sport Policy Suite and the updated class of members and which were made available upon request to all members prior to this meeting of the Members, seconded by Mikhail Kudienko. Carried.**

## 6. Election of Directors

### 6.1 Directors at Large

### 6.2 Athlete Representative

**Matt DeCarufel made the motion to elect the nominated individuals to the Board of the Cross-Country Alberta Society, seconded by Luke McGurk. Carried.**

Kelly Bogle, Serena Moar, and Chris Sundholm were elected as Directors of Large for a two-year term. Anders Evanson was elected as Athlete Representative.

## 7. Questions

*Question from Mikhail Kudienko:* Are there any plans to introduce newcomers to skiing in other communities? How does the current programming work?

*Answer:* Yes, the grant will look to expand in future years. The current programming is at Strathcona Wilderness Centre. Please reach out for support and guidance if you are interested in providing this programming in your community.

#### 8. Adjournment

The meeting was adjourned at 8:08PM.
