The Camrose Ski Club (CSC) is looking for a XC Ski Coach for the XC Junior Racing Program. The Junior Racing Program is aimed at XC skiers aged 13-17 who wish to develop their racing performance. Typically, the team practices twice weekly on Tuesday and Thursday from 4:45-6:15pm from October through the end of March and attends 4 to 6 race weekends. The team practices once weekly in September during the XC Running Season and summer training varies. Expected group size is 10 to 18 athletes. The Junior Racing Team and the Biathlete Team have collaborative training sessions, and the Junior Racing Coach is expected to plan training and racing in conjunction with the CSC Biathlon coach. The CSC will negotiate a Memorandum of Understanding with the new Coach that outlines specific expectations and responsibilities and provide annual honorarium. In addition, the CSC encourages and will support select coaching development opportunities.

Anyone interested in this position is encouraged to speak to Morten Asfeldt (Club VP). Please send inquiries to [skiclubcamrose@gmail.com](mailto:skiclubcamrose@gmail.com)
