

Alberta Ski Trail and Grooming Enhancements 2023

With funding provided by the Kananaskis Parking Committee the remaining 2021 - 2022 parking program surplus funds will be disbursed to Nordiq Alberta Clubs and ski sites in Alberta for trail maintenance, infrastructure, and development. Nordiq Alberta is offering a minimum of 10 grants up to \$2000. These grants are available to Nordiq Alberta clubs or ski sites in Alberta for the purposes of addressing fairly small, and short term issues or problems that would enable improvements such as:

- improvements to existing ski trails (trail lighting, equipment)
- enhancement to grooming operations including fuel, grooming workshops, tools, and trail grooming reports (e.g. Nordic Pulse).

Grants are available up to \$2,000 and clubs or sites are encouraged to use the funds to obtain additional matching funds where possible.

Process:

1. Clubs/sites submit grant proposals to Nordiq Alberta. Submit all applications to info@nordiqalberta.ca
2. Applications will be accepted **until all of the grant funds have been distributed**. The sub-committee will review all proposals and projects and notify applicants on a monthly basis.
3. Clubs/sites will confirm acceptance and sign appropriate paperwork then the funds will be distributed.
4. Approved funding applications will be asked to provide all post-project reporting and paperwork as well as a brief report to Nordiq Alberta, acknowledging the benefits received from this grant. Acknowledgement via social media platforms would also be appreciated.

Alberta Ski Trail and Grooming Enhancements Grant Application

Club Name/Ski Site:	
Club Representative/Applicant:	
Street Address:	City/Town
