

Prevention

Required Training

Cross Country Alberta staff are required to take the [Canadian Centre for Child Protection's](#) online [Commit to Kids](#) training. The training assists administrators, employees, volunteers and coaches in understanding grooming, sexual abuse, roles in prevention, and the role that policy and procedure play in creating safe environments for children.

CCA Coaches are required to have NCCP training or equivalent coaching certification.

CCA Officials required to be certified and trained at the technical level they are officiating and applicable for each event.

CCA Board of Directors are encouraged to attend the Alberta Sport Connection- Sport Leadership Conference or similar events to keep up to date with sport industry trends.

CCA staff and volunteers are supported to enroll in Personal Development workshops as approved by the Board of Directors.

Additional training courses are encouraged for staff and volunteers as they become available and communicated by industry leaders:
