Conflict Resolution

Conflict can be a part of human interaction and if managed well, can be productive and, depending on its nature, may be resolved without formal complaint filing. Nordiq Alberta is committed to treating all members fairly and with respect and has policies and procedures that provide internal and external alternatives to support appropriately transparent and timely resolution of conflicts.

Nordiq Alberta's [Harassment Policy](#) outlines the process for filing complaints and resolving concerns related to harassment, bullying, abuse and discrimination.

Nordiq Alberta's [Dispute Resolution and Appeal Policy](#) encompasses an integrated process that provides internal options and external alternatives to ensure that issues can be resolved with appropriate transparency and timeliness, and in accordance with the principles of natural justice and procedural fairness.
