

Nordiq Alberta Roller Ski Rental Form

When the snow melts the skiing doesn't have to stop! Rollerskis allow for great dryland training to help fine-tune your technique and balance in the warmer months. Who said cross country skiing was just a winter activity?

Nordiq Alberta is pleased to offer clubs access to our rollerski fleet. These can be used in competition, races, practice, or standardized testing. We have 20 skate roller skis and 10 classic roller skis available for rental. Please complete the form below to rent our roller skis:
