## 2023 CANADA WINTER GAMES

### CODE OF CONDUCT

*This Code of Conduct identifies the standard of behavior that is expected of all Team Alberta participants including athletes, coaches, managers, and mission staff. Participants who fail to abide by this Code will be subject to disciplinary action.*

The responsibilities of all Team Alberta participants are as follows:

- Participants of Team Alberta are expected to conduct themselves in a sportsmanlike and responsible manner at all times. Such conduct is expected of participants from selection and training preceding the Games, during the Games, and until they return home. This includes actions and comments made using social media.
- Team Alberta is committed to providing a sport environment in which all individuals are treated with respect. Participants shall refrain from comments and behaviors that are disrespectful, offensive, abusive, racist, or sexist.
- All participants shall attend the Opening or Closing Ceremonies of the Games as well as Sport Opening and Closing Ceremonies, medal presentations, pep rallies and other official Team Alberta functions. Participants are expected to wear the designated Team Alberta uniform at these events.
- All participants shall reside in the Athletes' Village and adhere to the Host Society's rules and curfew of 12 midnight. Coaches may set an earlier curfew if game/event schedules warrant.
- Participants shall neither consume nor be in possession of alcohol or cannabis in the Athletes' Village, any Games venue or event (Alcohol in the Coaches Lounge is an exception). Participants shall not be under the influence of alcohol or cannabis at any time they are performing their official duties as a member of Team Alberta. Minors shall not be in possession of, nor consume alcohol or cannabis at any time during the Games or during travel to/from the Games.
- A minor is defined by the laws of the jurisdiction where the Games are taking place.
- Participants shall refrain from smoking in the Athletes' Village, at all official Team Alberta activities, Games venues and events.
- Participants shall not engage in any activity or behavior that interferes with a competition or with any participant's preparation for a competition, which endangers the safety of others, or is illegal in the jurisdiction.
- Team Alberta recognizes the Canadian Policy on Penalties for Doping in Sport (endorsed by the Canadian Centre for Ethics in Sport and Canadian Heritage/Sport Canada). Participants shall not use or be in possession of illicit drugs/narcotics, performance-enhancing drugs or methods or drug paraphernalia.
- Depending on the severity of the offence, the Chef de Mission or Discipline Committee shall be responsible for discipline which may include any one or combination of the following sanctions:
  - Earlier curfew
  - Verbal or written reprimand
  - Submission by the offender of a verbal or written apology
  - Suspension from specific Team Alberta activities or sport competition
  - Revoking Team Alberta clothing or gifts
  - Removal of certain Team Alberta or Games Host Society Village privileges
  - Removal from a portion of, or the remainder of the Games
  - Removal from the Games and being sent home at the expense of the participant and/or Provincial Sport Organization
  - Other sanctions that are considered appropriate for the offence.
- The Discipline Committee may deal with any discipline matter within Team Alberta. The Discipline Committee will consist of a coach or chaperone (which may be the coach or chaperone of the athlete if deemed appropriate), a mission staff person and the Assistant Chef de Mission. The Assistant Chef de Mission shall be the Chair of the Discipline Committee.
- A participant involved in a discipline situation shall be advised that they have the right to seek the advice and assistance of a Participant's Advocate. The role of the Participant's Advocate is to advise the athlete of his or her rights, to provide support and to speak on behalf of the athlete, if requested.
- Incidents involving a number of team members may result in the entire team receiving disciplinary sanctions.
- Any individual who has been disciplined shall have the right to appeal this decision. The Appeals Committee shall hear appeals of disciplinary decisions. The Appeals Committee is made up of the Chef de Mission, a member of the mission staff from a different sport and a third person selected by the Chef de Mission from among the appellant's peers, but not from the same sport/team (i.e., if the appellant is an athlete, this would be another athlete; if the appellant is a coach, then another coach, etc.). Before the Games, the Chef de Mission shall compile a list of athletes, coaches, managers and mission staff who are willing to serve on the Appeals Committee.
